## Independent Auditors' Report

Board of Directors  
Douglas-Cherokee Economic Authority, Inc.

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the aggregate discretely presented component units, and each major fund of Douglas-Cherokee Economic Authority, Inc. (the "Agency") as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of any of the discretely presented component units. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the discretely presented component units, is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Agency's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the aggregate discretely presented component units, and each major fund of the Agency, as of June 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of changes in the net pension liability (asset) and related ratios and the schedule of contributions listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

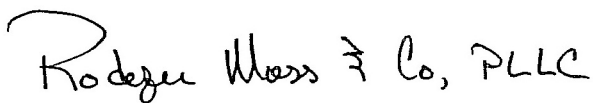

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Agency's basic financial statements. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements.

The supplementary information and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2016, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Management's Discussion and Analysis  
June 30, 2015

**Overview of financial statements**

The financial statements for Douglas-Cherokee Economic Authority, Inc. (DCEA) include: Government-Wide Statement of Net Assets and Statement of Activities; Governmental Balance Sheets and Statement of Revenues, Expenditures and Changes in Fund Balance for Governmental Funds; Reconciliation of the Statement of Revenue, Expenditures, and Changes in Fund Balances to the Statement of Activities; Statement of Capital Assets; Schedule of Expenditures of Federal and State Awards; Statement of Administrative Expenses, Statement of In-Kind Support, and Statement of Individual Grant Funds. The financial statements also include Balance Sheets, Statements of Activities, and Statements of Cash Flows for the Agency's component units. In addition to these statements, Notes to the Financial Statements, Required Supplementary and Other Supplementary Information are provided. This discussion focuses on the primary government, and references to "DCEA" refer to the primary government, not the government-wide statements, unless otherwise indicated.

The Fund Balance Sheet shows assets, liabilities, deferred inflows of resources, and fund equity accounts. Information is provided for governmental fund types.

In the governmental fund types, all assets, liabilities and fund equity are broken down into the general fund and grant fund. The general fund accounts for all financial resources not accounted for in the grant fund. The grant revenue fund accounts for resources from Federal and State grant agreements.

The Statement of Revenues, Expenditures, and Changes in Fund Balances shows the general fund and grant revenue funds as discussed earlier.

The Notes to the Financial Statement provide detailed explanations that provide information essential to the understanding of the statements.

The supplementary information provided is used as a tool to explain further the financial information of DCEA.

**Financial Highlights**

Total assets and deferred outflows of resources of the Agency are \$12,983,472 and exceed total liabilities and deferred inflows of resources by \$9,977,415. Assets include cash and certificates of deposit, receivables, prepaid expenses, equipment, land, building, inventories, and net pension asset. Liabilities include payables, accrued salaries, and accrued leave liability. The Agency also reported deferred outflows of resources of \$675,180 which represents employer contributions after the measurement of June 30, 2014. The following are some of the changes noted in the financial statements.

**DCEA Net Position Comparison**

	<b><u>2014</u></b>	<b><u>2015</u></b>	<b><u>Variance</u></b>
Cash & Certificates of Deposit	\$ 3,557,386	\$ 4,223,811	\$ 666,425
Receivables	2,324,425	1,975,743	(348,682)
Prepaid Expense	46,769	47,918	1,149
Capital Assets	5,393,331	5,322,758	(70,573)
Net Pension Asset	-	738,062	738,062
Total Assets	11,321,911	12,308,292	986,381
Deferred Outflows of Resources	-	675,180	675,180

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Management's Discussion and Analysis (Continued)

**DCEA Net Position Comparison (Continued)**

	<u>2014</u>	<u>2015</u>	<u>Variance</u>
Liabilities	\$ 1,802,615	\$ 1,414,405	\$ (388,210)
Deferred Inflows of Resources	<u>33,282</u>	<u>1,591,652</u>	<u>1,558,370</u>
Net Position			
Investment in capital assets	5,329,331	5,276,758	(52,573)
Restricted	19,989	27,114	7,125
Unrestricted	<u>4,136,694</u>	<u>4,673,543</u>	<u>536,849</u>
Total Net Position	<u>\$ 9,486,014</u>	<u>\$ 9,977,415</u>	<u>\$ 491,401</u>

	<u>2014</u>	<u>2015</u>	<u>Difference</u>
<u>Cash and Certificates of Deposit</u>	\$ 3,557,386	\$ 4,223,811	\$ 664,425

The increase in cash is primarily due to the cash payment from the refinance of component units.

<u>Receivables</u>	\$ 2,324,425	\$ 1,975,743	\$ (348,682)
--------------------	--------------	--------------	--------------

The majority of the difference reflects decreases in grants receivable.

<u>Prepaid Expenses</u>	\$ 46,769	\$ 47,918	\$ 1,149
-------------------------	-----------	-----------	----------

The difference reflects a slight increase in prepaid expenses at year end.

<u>Capital Assets</u>	\$ 5,393,331	\$ 5,322,758	\$ (70,573)
-----------------------	--------------	--------------	-------------

The difference in capital outlay is for an increase in building and improvements of \$213,604, an increase in other fixed assets of \$109,645, an increase in construction in progress of \$111,340, a decrease in construction in progress of 198,093, and depreciation of \$323,249 and deletions of \$45,197 made during the year.

<u>Net Pension Asset</u>	\$ -	\$ 738,062	\$ 738,062
--------------------------	------	------------	------------

The difference reflects the Agency's implementation of GASB Statement No. 68 and 71 that resulted in a pension asset.

<u>Deferred Outflows</u>	\$ -	\$ 675,180	\$ 675,180
--------------------------	------	------------	------------

The difference reflects the Agency's pension contributions after the measurement date. GASB Statement No. 68 Accounting Financial Reporting for Pensions became effective for employer financial statements for the fiscal year beginning after June 15, 2014.

<u>Liabilities</u>	\$ 1,802,615	\$ 1,414,405	\$ (388,210)
--------------------	--------------	--------------	--------------

The difference reflects decreases in Accounts Payables of (\$419,365), decreases in Notes Payable of \$(18,000), and a decrease in Accrued Leave \$(3,188). Accrued Payroll also increased by \$51,775

<u>Deferred Inflows</u>	\$ 33,282	\$ 1,591,652	\$ 1,558,370
-------------------------	-----------	--------------	--------------

Unearned revenue slightly decreased from previous year by \$ (5,995). The major increase of \$1,564,365 was the result of the implementation of GASB 68 and 71 that became effective for employer financial statements for the fiscal year beginning after June 15, 2014.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Management's Discussion and Analysis (Continued)

	<u>2014</u>	<u>2015</u>	<u>Difference</u>
<u>Net Position</u>	\$ 9,486,014	\$ 9,977,415	\$491,401

The difference reflects a decrease in assets of \$(70,573) and principal payments of debt of \$18,000. The Agency also implemented GASB 68 and 71 during the year which resulted in a decrease of net position of \$889,563. The remaining difference is a result of an increase of revenue over expenses for the current year.

**DCEA Changes in Net Position**

	<u>2014</u>	<u>2015</u>	<u>Variance</u>
<b>REVENUES</b>			
Federal financial assistance	\$ 15,719,710	\$ 16,207,097	\$ 487,387

**Analysis of overall financial position**

The majority of Douglas-Cherokee Economic Authority's funding is from Federal and State grants. The agency has also been able to tap into various other local resources for funding dollars as well. During fiscal year 2015, the Agency had an approximate increase in Federal funds by \$487,387 and a decrease in State funds by \$(193,871). Funds from other income increased by approximately \$524,735, the majority of this increase was due to two refinances in Rental Management. The outlook for the future of the Agency is good. As of June 30, 2015 sequestration cuts to federal programs have been restored to pre-sequestration funding levels. DCEA continues to assess the needs of the communities served and endeavors to find ways to meet those needs.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Management's Discussion and Analysis (Continued)

**Discretely Presented Component Units and HUD Housing Complexes**

Over the last 20 years, the DCEA Board of Directors has sponsored the construction and operation of HUD housing complexes for persons over 60 and/or disabled. The complex boards provide for the oversight and management of each complex. As a part of the management, the complex boards have engaged the services of DCEA to provide the management and day to day operations of the facilities. HUD and other funders establish a fee to be paid for this oversight and management responsibility. The Agency has included forty-five groups of financial statements and combined and summarized these statements into Discretely Presented Component Units. This number decreased from previous year due to refinancing and merging certain entities together. DCEA has management agreements with sixty complexes, but only those organizations evaluated as component units are included in the financial statements. For additional financial information on the component units please refer to each component unit's individual audit report.

Presently, DCEA has management agreements with the following complexes:

<u>Project Name</u>	<u>City</u>	<u>County</u>	<u>Number of Units</u>	<u>Owner Corporation</u>
Alpine Village	Johnson City	Washington	39	Crockett Homes
Auburn Hills	Oak Ridge	Anderson	41	Aspen Homes

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Reconciliation of the Statement of Revenues,  
Expenditures, and Changes in Fund Balances to the Statement of Activities  
June 30, 2015

Net change in fund balances - total governmental funds	\$ 695,097
Amounts reported for governmental activities in the statement of activities are different because:	
Governmental funds report principal payments on long-term debt as expenditures. However in the statement of activities, only the interest component of debt service is included as an expenditure.	18,000
Net change in pension assets and expenditures that are deferred or capitalized for the statement of activities	738,440
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlay exceeded depreciation in the current period.	<u>(70,573)</u>
Change in net position of governmental activities	<u>\$ 1,380,964</u>

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.

Notes to Financial Statements

June 30, 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Financial Reporting Entity** - The accompanying financial statements present the activities of Douglas-Cherokee Economic Authority, Inc. (the "Agency").

The Agency has a number of component units, all of which are HUD housing complexes, which are included in these financial statements. Those component units are described in greater detail in note 14 to the financial statements.

**Government-Wide And Fund Financial Statements** - The government-wide statement of net assets and the statement of activities display information about the Agency. These statements include the financial activities of the overall Agency. Governmental activities generally are financed through grantor contributions and local contributions.

In the government-wide Statement of Net Position, the governmental activities are presented on a consolidated basis and are reported on the full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. Under the accrual basis of accounting, revenues are recognized when earned, and expenses are recognized when incurred.

**Fund Balance Items** - The Agency has implemented GASB Statement 54 employing new terminology and classifications for fund balance items.

*Non-spendable items* - This category includes items that can not be spent because of their form. Prepaids of \$47,918 were in this category at year end.

*Restricted items* - This category includes fund balances that are constrained by external parties, constitutional provisions, or enabling legislation. The remaining balance in the Santa Fund is included in this category at year end.

*Committed items* - This category includes fund balances that contain self-imposed constraints of the government from its highest level of decision making authority (e.g., Douglas-Cherokee Economic Authority's Board of Directors). Formal action must be taken prior to the end of the fiscal year. The same formal action must be taken to remove or change the limitations placed on funds. There was no balance in this category at year end.

*Assigned items* - This category includes fund balances that contain self-imposed constraints of the government to be used for a particular purpose from the highest level of decision making authority (e.g. Douglas-Cherokee Economic Authority's Board of Directors). The only assignment was \$3,252,604 for Volunteer Housing.

*Unassigned items* - Represents the remainder of the Agency's fund balance that is not constrained for any particular purpose.

When both restricted and unrestricted fund balances are available for use, it is the Agency's policy to use restricted fund balance first, then use unrestricted fund balance. Furthermore, committed fund balances are reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used.

The government-wide Statement of Activities reports both the gross and net cost of each of the Agency's functions. The Statement of Activities reduces gross expenses (including depreciation) by related program revenues and operating grants and contributions. Program revenues are primarily grant revenues and contributions. This government-wide focus is more on the sustainability of the Agency as an entity and the changes in the Agency's net assets resulting from the current year's activities.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

**Government-wide Financial Statements** - The government-wide statements are reported using the economic resources measurement focus and the accrual basis of accounting, generally including the reclassification or elimination of internal activity (between or within funds). The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place.

**Government Fund Financial Statements** - Governmental fund statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Available means collectible within the current period or soon enough thereafter to pay current liabilities. Under this method, the Agency considers revenues to be available if they are collected within 60 days after year-end. Expenditures are recorded when the fund liability is incurred. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

The major sources of revenue are grants, local contributed cash, contributed services and other revenues as discussed below:

Federal & State Grant Revenue - Grant revenue is recognized when program expenditures are incurred in accordance with program guidelines. Such revenue is subject to review by the funding Agency and may result in disallowance in subsequent periods.

Deferred revenue is reported on the combined balance sheet. The Emergency Food and Shelter Agency sends funds in allotments as opposed to the reimbursement method of the majority of the agencies.

Local Contributed Cash - Contributions to grant programs from local governments and other participants are recognized as revenue when grant expenditures are incurred in the case of cost reimbursement grants.

Interest Income - Interest income is recorded as earned since it is measurable and available.

**Fund Financial Statements** - The financial transactions of the Agency are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues, and expenditures. The governmental fund financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred.

The funds are classified as either general or special revenue in the fund financial statements.

General Fund - The general operating fund accounts for all financial resources that are not required to be accounted for in the special revenue funds.

Special Revenue Fund - The special revenue fund accounts for the proceeds of specific revenue sources, the expenditures for which are legally restricted for purposes specified in grant agreements.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**New Accounting Pronouncements** - GASB 68, *Accounting and Financial Reporting for Pensions* supersedes existing guidance on financial reporting for defined pension plans found in Statement No. 27, *Accounting for Pensions by State and Local Governmental Employers*, and Statement No. 50, *Pension Disclosures*. The Statement affects accounting and financial reporting of pensions by state and local governments, and establishes new accounting and financial reporting requirements for governments that provide their employees with pensions.

GASB Statement No. 71, *Pension Transition for Contributions made Subsequent to the Measurement Date - an amendment of GASB Statement No. 68*. The objective of this statement is to clarify accounting and financial reporting for pensions. This statement requires governments to recognize a beginning deferred outflow of resources for pension contributions made subsequent to the measurement date of the beginning net pension liability calculated under Statement No.68.

Statements No. 68 and 71 are effective for periods beginning after June 15, 2014. The Agency implemented these standards effective July 1, 2014. The Agency's beginning net position was restated and decreased \$889,563 as a result of the implementation of these two standards.

**Funding** - The primary funding sources for the Agency are federal and state grants. The grant periods may or may not coincide with the Agency's fiscal year. Grants normally are for a twelve month period; however, they may be awarded for periods shorter or longer than twelve months.

The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The Agency has implemented Governmental Accounting Standards Board Statement No. 62, "*Codification of Accounting and Financial Reporting Guidance contained in Pre-November 30, 1989 FASB and AICPA pronouncements.*"

**Leave Policies** - Employees eligible for leave include (1) full-time employees and (2) part-time employees. Employees accrue annual leave on a prorated basis.

During the first five years of employment, an employee accrues twelve (12) days of vacation leave. During the second five years of employment, an employee accrues eighteen (18) days per year. After ten years and up to 20 years of employment, an employee accrues twenty-one (21) days per year, and after twenty years of employment, twenty-four (24) days per year. Upon termination of employment from the Agency, an employee will be paid for unused vacation leave.

The Agency's sick leave policy permits the accumulation of twelve (12) sick days per year. In a year, a maximum of forty (40) days accumulated leave is available for full-time employees. At the time of retirement from the Agency, all unused accumulated sick time is added to the employee's service time for the purpose of calculating retirement benefits. For part-time employees the number of hours is based on a reduced pro-rated basis. Employees are not paid for unused sick days upon termination of employment.

The liability for accrued leave reported in the government-wide statements consists of unpaid, accumulated annual leave. The liability for accrued leave (\$249,616 at June 30, 2015) for governmental fund types, which represents normal accumulations, is all considered to be current.

**Capital Assets, Depreciation and Amortization** - The Agency's property, plant, and equipment with useful lives of more than one year are stated at historical cost and comprehensively reported in the government-wide financial statements. Donated assets are stated at fair value on the date donated. The Agency generally capitalizes assets with cost of \$5,000 or more. The costs of normal maintenance and repairs that do not add to the asset value or materially extend useful lives are not capitalized. Capital assets are depreciated using the straight-line method. When capital assets are disposed, the cost and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimated useful lives, in years, for depreciable assets are as follows:

Buildings	5 - 50
Improvements, other than buildings	5 - 50
Equipment	3 - 30
Vehicles	3 - 30

**Pensions** - For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Agency's participation in the Public Employee Retirement Plan of the Tennessee Consolidated Retirement System ("TCRS"), and additions to/deductions from the Agency's fiduciary net position have been determined on the same basis as they are reported by the TCRS for the Public Employee Retirement Plan. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Public Employee Retirement Plan of TCRS. Investments are reported at fair value.

**Total Columns** - The total columns of the financial statements are presented only to facilitate financial analysis. Data in these columns do not present financial position or results of operations in conformity with generally accepted accounting principles. Neither are such data comparable to a consolidation.

**Tax-Exempt Status** - The Agency is qualified as a tax-exempt Agency under Section 501(c) (3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made.

**Interfund Transactions** - During the course of operations, the Agency may engage in certain transactions between funds. Interfund transactions are generally eliminated in the financial statements, or are reported as transfers in or out of the applicable fund.

**Allocation of Indirect Costs** - The Agency allocates indirect expenditures primarily comprised of administration of operating functions necessary to support the Agency's many programs. Such expenses include wages and related benefits, office expenses, and other central administrative services.

**Concentrations of Credit Risk** - Financial instruments that potentially subject the Agency to concentrations of credit risk consists primarily of accounts receivable. Financing sources are primarily grants from federal and state governmental entities. Management does not believe significant credit risk exists at June 30, 2015.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Date of Managements Review** - Management has evaluated events and transactions occurring subsequent to the statement of net position date for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through the date of the report, which is the date these financial statements were available to be issued.

NOTE 2 - CASH & INVESTMENTS

Deposits (cash and certificates of deposit) are carried at cost, which approximates fair value. At June 30, 2015, the value of the certificates of deposit was \$368,172 and the bank balances were \$4,228,038

All of the Agency's deposits are covered through FDIC insurance or through their Banks' participation in the Tennessee Bank Collateral Pool.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 3 - INTERFUND RECEIVABLES/PAYABLE

The following is a summary of inter-fund receivables and payable at June 30, 2015:

	Due from Grant Fund	Due to General Fund
General Fund	\$ 724,990	\$ -
Grant Funds	-	724,990
Total	\$ 724,990	\$ 724,990

NOTE 4 - GRANTS RECEIVABLE

Federal and state administered grant receivables consist of receivables for reimbursement of expenditures under various programs and grants. All amounts are expected to be collected within the next year.

NOTE 5 - CAPITAL ASSETS

The Agency's capital assets activity was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
Capital assets not being depreciated				
Construction in progress	\$ 200,093	\$ 111,340	\$ (198,093)	\$ 113,340
Land	155,700	-	-	155,700
	355,793	111,340	(198,093)	269,040
Capital assets being depreciated				
Buildings and improvements	7,005,653	213,604	-	7,219,257
Other fixed assets	3,077,182	109,645	(45,197)	3,141,630
Total capital assets being depreciated	10,082,835	323,249	(45,197)	10,360,887
Less accumulated depreciation for				
Buildings and improvements	(2,204,674)	-	(237,037)	(2,441,711)
Other fixed assets	(2,840,623)	45,197	(70,032)	(2,865,458)
Total accumulated depreciation	(5,045,297)	45,197	(307,069)	(5,307,169)
Total capital assets being depreciated, net	5,037,538	368,446	(352,266)	5,053,718
Capital assets, net	\$ 5,393,331	\$ 479,786	\$ (550,359)	\$ 5,322,758

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 6- NOTES PAYABLE

The Agency also has an interest free \$100,000 note to the Grainger County Industrial Development Board to construct an industrial building in Grainger County, and an \$80,000 note from Clinch Powell, which bears interest at 2%. Loan payments are due annually, with payment beginning one year after occupancy. The balances of these loans were \$30,000 and \$16,000, respectively, at June 30, 2015.

An analysis of the current year's long-term debt activity is as follows:

	Beginning Balance	Additions	Payments	Ending Balance
Notes payable	\$ 64,000	\$ -	\$ 18,000	\$ 46,000

The maturities of notes payable are estimated as follows:

Year ending June 30:

	Principal	Interest
2016	\$ 18,000	\$ 320
2017	18,000	160
2018	10,000	-
Total	\$ 46,000	\$ 480

NOTE 7 - IN-KIND SUPPORT

In-kind support, based on estimated values, is as follows:

Salaries	\$ 1,832,713
Travel	2,309
Food	446,441
Supplies	23,505
Rent	1,154,930
Equipment/Usage	13,700
Miscellaneous	135,584
	\$ 3,609,182

NOTE 8 - RISK MANAGEMENT

The Agency is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which the Agency carries commercial insurance. There have been no reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

NOTE 9 - LITIGATION

The Agency is party to certain legal proceedings which normally occur in governmental operations. Management does not believe that the litigation will have a material adverse impact on the Agency's financial position.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 10 - FEDERAL AND STATE GRANTS

In the normal course of operations, Douglas-Cherokee Economic Authority, Inc. receives grant funds from various federal and state agencies. The grant programs are subject to audit by agents of the granting authorities, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as the result of these audits is not believed to be material.

NOTE 11- PENSION PLAN

**Plan Description**

Employees of Douglas-Cherokee Economic Authority (the “Agency”) are provided a defined benefit pension plan through the Public Employee Retirement Plan, an agent multiple-employer pension plan administered by the TCRS. The TCRS was created by state statute under Tennessee Code Annotated Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publically available financial report that can be obtained at [www.treasury.tn.gov/tcrs](http://www.treasury.tn.gov/tcrs).

**Benefits Provided**

Tennessee Code Annotated Title 8, Chapters 34-37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. The chief legislative body may adopt the benefit terms permitted by statute. Members become eligible to retire with an unreduced benefit at age 60 with five years of service credit or after 30 years of service credit regardless of age. Benefits are determined by a formula using the member’s highest five consecutive year average compensation and the member’s years of service credit. Reduced benefits for early retirement are available at age 55 and vested. Members vest with five years of service credit. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

**Employees Covered by Benefit Terms**

At the measurement date of June 30, 2014, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	82
Inactive employees entitled to but not yet receiving benefits	430
Active employees	<u>335</u>
	<u>847</u>

**Contributions**

Contributions for employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute 5 percent of salary. The Agency makes employer contributions at the rate set by the Board of Trustees as determined by actuarial valuation. For the year ended June 30, 2015, employer contributions for the Agency were \$675,180 based on a rate of 8.99 percent of covered payroll. By law, employer contributions are required to be paid. The TCRS may intercept the Agency’s state shared taxes if required employer contributions are not remitted. The employer’s actuarially determined contributions (“ADC”) and member contributions are expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 11 - PENSION PLAN (Continued)

**Net Pension Liability (Asset)**

*Valuation Date* - The Agency's net pension liability (asset) was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability (asset) was determined by an actuarial valuation as of that date.

*Actuarial Assumptions* - The total pension liability as of June 30, 2014 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary Increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent.
Investment rate of return	7.5 percent, net of pension plan investment expenses, including inflation

Mortality rates were based on actual experience from the June 30, 2012 actuarial experience study adjusted for some of the expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study performed for the period of July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

*The long-term expected rate of return* on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>	<u>Target Allocation</u>
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%

Short-term securities	0.00%	<u>1%</u>
		100%

The long-term rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

*Discount Rate* - The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from the Agency will be made at the actuarially determined contribution rate pursuant to an actuarial valuation in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 11 - PENSION PLAN (Continued)

**Changes in the Net Pension Liability (Asset)**

	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a) - (b)
Balance at 7/1/13	\$15,719,635	\$14,178,518	\$ 1,541,117
Changes for the year:			
Service Cost	538,247	-	538,247
Interest	1,187,525	-	1,187,525
Differences between expected and actual experience	(634,331)	-	(634,331)
Contributions - employer	-	651,554	(651,554)
Contributions - employee	-	368,114	(368,114)
Net investment income	-	2,364,015	(2,364,015)
Benefit payments, including refunds of employee contributions	(848,438)	(848,438)	-
Administrative expense	-	(13,063)	13,063
Net changes	<u>243,003</u>	<u>2,522,182</u>	<u>(2,279,179)</u>
Balance at 6/30/14	<u>\$15,962,638</u>	<u>\$16,700,700</u>	<u>\$ (738,062)</u>

Sensitivity of the net pension liability (asset) changes in the discount rate. The following presents the net position liability (asset) of the Agency calculated using the discount rate of 7.5 percent, as well as what the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (6.5 percent) or 1-percentage-point higher (8.5) than the current rate:

	1 % Decrease (6.50)	Current Discount Rate (7.50)	1 % Increase (8.50)
Net pension liability (asset)	\$ 1,176,156	\$ (738,062)	\$ (2,338,902)

**Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

For the year ended June 30, 2015, the Agency recognized pension income of \$63,260.

For the year ended June 30, 2015, the Agency reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 528,609
Net difference between projected and actual earnings of pension plan investments	-	1,035,756
Contributions subsequent to measurement date of June 30, 2014	<u>675,180</u>	<u>-</u>
Total	<u>\$ 675,180</u>	<u>\$ 1,564,365</u>

DOUGLAS-CHEROKEE ECONOMIC AUTHORITY, INC.  
Notes to Financial Statements (Continued)

NOTE 11 - PENSION PLAN (Continued)

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30:	
2016	\$ (364,661)
2017	(364,661)
2018	(364,661)
2019	(364,661)
2020	(105,721)
Thereafter	<u>-</u>
Total	<u>\$ (1,564,365)</u>

**Payable to the Pension Plan**

At June 30, 2015, the Agency reported a payable of \$27,987 for the outstanding amount of contributions to the pension plan at the year ended June 30, 2015.

NOTE 14 - LEASES

The Agency leases various buildings and equipment under operating lease agreements to carry out its activities and to administer its various programs. The Agency paid approximately \$250,000 for these leases during the year ended June 30, 2015. The following is a year-by-year schedule of future minimum lease payments required under the existing and extended operating leases:

Year ended June 30:	
2016	100,532
2017	61,407
2018	22,506
2019	16,206
2020	6
Thereafter	<u>56</u>
	<u>\$ 200,713</u>

NOTE 15 - COMPONENT UNITS

The Agency's Board of Directors has sponsored the construction and operation of HUD housing complexes for persons over 60 and/or disabled. After the completion of construction and as a part of the sponsorship agreement, it is the responsibility of the Agency's Board to organize and appoint the governing boards. The complex boards provide for the oversight and management of each complex. As a part of the management, the complex boards have engaged the services of the Agency to provide the management for the facilities. HUD and other funders establish a fee to be paid for this oversight and management responsibility. The financial statements of these component units are not included with these financial statements. Financial statements for the component units are maintained at the Agency's main office.

Collectively, these entities had, as of their most recent fiscal year end, \$54.1 million in assets, \$68.6 million in liabilities, (\$14.5 million) in net position, \$6.6 million in revenue, and \$7.6 million in expenses. The liabilities include approximately \$43.9 million in advances from the U.S. Department of Housing and Urban Development, which are only repayable if the projects do not remain available for very low-income eligible individuals/families as approved by HUD for no less than 40 years.

Schedule of Contributions (Unaudited)  
Year Ended June 30, 2015

<b>Measurement period ended June 30,</b>	<u>2014</u>	<u>2015</u>
Actuarially determined contribution	\$ 651,554	\$ 675,180
Contributions in relation to the actuarially determined contribution	<u>651,554</u>	<u>675,180</u>
Contribution deficiency (excess)	<u>\$ -</u>	<u>\$ -</u>
Covered employee payroll	\$ 7,362,185	\$ 7,510,345
Contributions as a percentage of covered employee payroll	8.85%	8.99%

**Notes to Schedule**

Valuation date:

Actuarially determined contribution rates for 2015 were calculated based on the July 1, 2013 actuarial valuation.

Methods and assumptions used to determine contribution rates:

Actuarial cost method:	Frozen initial liability
Amortization method:	Level dollar, closed (not to exceed 20 years)
Remaining amortization period:	3 years
Asset valuation method:	10-year smoothed within a 20 percent corridor to market value
Inflation	3.0 percent
Salary increases:	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return:	7.5 percent, net of investment expense, including inflation
Retirement age:	Pattern of retirement determined by experience study
Mortality:	Customized table based on actual experience including an adjustment for some anticipated improvement

2. No significant deficiencies are disclosed during the audit of the financial statements reported in the Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*.
3. No instances of noncompliance that were considered to be material to the financial statements of Douglas-Cherokee Economic Authority, Inc. were disclosed during the audit.
4. No significant deficiencies relating to the audit of the major federal awards programs are reported in the Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by *OMB Circular A-133*.
5. The auditors' report on compliance for each major federal award program for Douglas-Cherokee Economic Authority, Inc. expresses an unmodified opinion.
6. There are no audit findings that are required to be reported in accordance with Section 510(a) of OMB Circular A-133.
7. The programs tested as major programs were Child and Adult Care Food Program (10.558), 21<sup>st</sup> Century Learning (84.287C), and Low Income Home Energy Assistance (93.568)
8. The threshold for distinguishing Types A and B programs was \$486,205.
9. Douglas-Cherokee Economic Authority, Inc was determined to be a low-risk auditee.
10. There were no questioned costs.

B. Findings - Financial Statement Audit

None.

C. Findings - Major Federal Program Awards Audit

None.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance  
and Other Matters Based on an Audit of Financial Statements Performed in  
Accordance with *Government Auditing Standards*

Board of Directors  
Douglas-Cherokee Economic Authority, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the aggregate discretely presented component units, and each major fund of Douglas-Cherokee Economic Authority, Inc. (the "Agency"), as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated March 7, 2016. Our report includes a reference to other auditors who audited all of the discretely presented component units, as described in our report on the Agency's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance For Each Major Program and on Internal  
Control Over Compliance Required by OMB Circular A-133

Board of Directors  
Douglas-Cherokee Economic Authority, Inc.

Report on Compliance for Each Major Federal Program

We have audited Douglas-Cherokee Economic Authority, Inc.'s (the "Agency") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Agency's major federal programs for the year ended June 30, 2015. The Agency's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

The Agency's operations include the operations of certain component units which received approximately \$69 million in federal awards (including, primarily, HUD loan programs). Our audit, as described below, did not include the operations of these component units, because those component units engaged other auditors to perform audits in accordance with *OMB Circular A-133*, as applicable.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Agency's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Agency's compliance.

Opinion on Each Major Federal Program

In our opinion, the Agency, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

## Report on Internal Control Over Compliance

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
